

Dear Business Owner,

Thank you for your generous support of Bloomfield Youth Soccer. Your contribution along with those received from other local business allows us to keep our fee structure affordable to all our Bloomfield families.

Our objective is to provide every player a safe and fun environment to play soccer while improving a players overall skill and knowledge of the game. Here are some facts about Bloomfield Soccer Club:

- Over 300 kids playing summer soccer in our program!
- 14 teams in our own Bloomfield Youth Soccer League (Age 5-10)!
- 8 travel teams representing Bloomfield across Rochester!
- Over 70 kids attend our Youth Soccer camp, made affordable as compared to other camps thanks to our sponsors!

We recognize fully the challenges our small businesses face in an unstable and weak economy. Many of our families have been impacted as well so we are determined more then ever to maintain our affordable fee structure to minimize the affect this time period can have on our youth.

The various sponsorship levels are listed on the attached form for your consideration.

Thank you again for helping keep our Bloomfield youth engaged in supervised healthy activities.

Sincerely,
Ian Caspersson
Bloomfield SC – Director
